CHEF'S CORNER

Dylan Stacey, chef of 36.2m motor yacht *Metsuyan IV*

I can't do without a variety of fresh bunches of herbs, good quality olive oil and my trusty knives - and music to keep the good vibes going in the galley. You get crazy requests for snacks at insane times of the morning. This tends to be when guests return from clubbing. For ingredients on summer charter, give me what's just been freshly caught from the sea and picked from the local garden and I'll get creative. My favourite place to be in the early morning is one of the many markets selling fresh seafood and fruit and vegetables up and down the Croatian coast. I love to serve slow cooked octopus that has been simmered in aromatic spices, then pan fried crispy and drizzled with good olive oil and fresh lemon juice. *Metsuyan IV* is for charter with *Camper & Nicholsons*
