

NEW HORIZONS

Never before have there ever been so many new yachts on the water, and luckily for some, a handful are available for charter.

ROMA

Delivered early in 2010, the award-winning *RoMa* from Viareggio Superyachts has been built to the strictest environmental standards. Combining all the latest innovations in technology with luxury comfort, she has already secured an enviable charter reputation following her debut summer season in the Mediterranean. Sprawled over four decks, *RoMa* has the space to give her guests everything a charter yacht should. Her interior, designed by Espen Oeino, is a combination of luxury and understated elegance. She was created for ceaseless pleasure, and entertainment and she scores high on both counts. She accommodates 12 guests in six staterooms, comprising a master suite, four double staterooms and one twin. Her interior also has a 40-inch cinema screen, games room, gymnasium and an assortment of lounging areas. She also hosts ample outdoor deck space. Her outstanding sun deck, with sofas and sun pads, and 16-foot Jacuzzi/pool (with swimming current and hydro massage), and her vast main deck area, with large dining area, combine to ensure outdoor living at its best. Further treats include an indoor and outdoor bar area, an elevator taking guests from the lower deck right up to the sun deck, watersports equipment, and all the latest entertainment facilities.

BISTANGO'S LARGE MASTER CABIN

BISTANGO

Built by lauded yard Benetti, the new *Bistango* is pure class. At 203'4/62m, she is blessed with space enough for 12 guests, and 14 crew who offer unparalleled service. A study in artisanship, *Bistango's* large master cabin on the main deck, with private access to the foredeck, even includes an overhead stargazer for those clear nights at sea. Further accommodation includes a VIP stateroom on the bridge deck, three double staterooms and one twin, all on the lower deck. Her sun deck houses a large Jacuzzi and lounging area, as well as an enclosed gym and Turkish bath. *Bistango* offers a wealth of watersports opportunities for even the most active of guests. To highlight it all, there is a kite surfing instructor onboard, as well as a certified Jet-ski instructor to provide guests licenses for the charter duration.

MI SUENO

The recently launched *Mi Sueno* has been built to the finest standards by Trinity Yachts. Stately and luxurious, each of her four decks is variously dedicated to relaxing and socialising. Her elegant interior of gloss woods, rich marbles and patterned furnishings is traditional in design, hiding all the latest in communications and entertainment equipment. Accommodation is excellently appointed. Her main-deck master suite is split over two levels with a king-size bed on the upper level with panoramic views, and 'his' and 'hers' bathrooms, lounge area, and private study on the lower level. A VIP suite, three doubles and one twin cabin are all located on the lower deck, and the gymnasium/massage room on the bridge deck can be converted into a seventh cabin for a nanny/security. Outside, her spacious deck areas encourage guests to relax and kick back in style. The sun deck is where it's at – with sumptuous sofas, a bar area, Jacuzzi and plunge pool. The sky-lounge meanwhile has shaded dining for 10 guests and a host of lounging areas aft.

PANTHALASSA

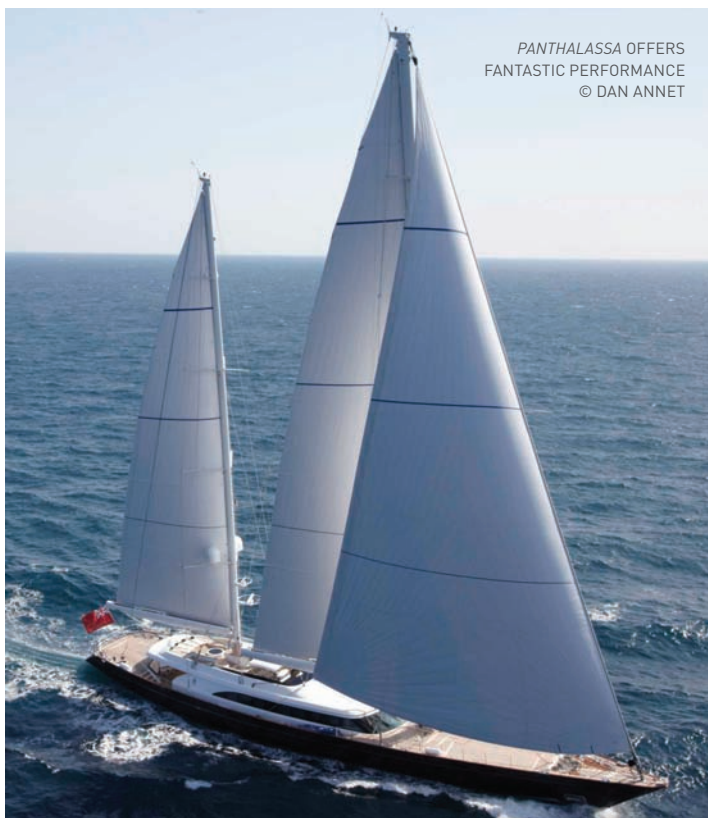

Launched from the renowned Perini Navi yard in Italy, *Panthalassa* is a fusion of contemporary living and the finest nautical heritage. From her naval architecture and engineering to her stunning interior, she combines 21st century with intelligent design. Natural daylight is drawn into the yacht's interior through the use of large windows that run the length of the main saloon and wrap around the wheelhouse. At the yacht's centre, a gracefully flowing stairwell is wrapped in a translucent enclosure that allows light to flood through. The interior is dressed in a colour palette of warm off-white and natural tones. Flexible, multifunctional spaces offer a host of well-conceived areas for both social interaction and privacy. The main-deck saloon is one huge, undivided indoor/outdoor living area that opens to the fully shaded aft deck lounging and dining area. This leads on to a huge beach area from where guests can access the swim platform. There are further sun-lounging and seating areas on the upper deck. *Panthalassa* offers six equally proportioned double cabins, all on the lower deck, two of which convert to twin cabins. Light penetrates the accommodation level through oversized portholes. Technical specifications onboard were a high priority, and as a result, she is equipped with the latest, state-of-the-art communication and entertainment systems. She also carries an impressive array of watertoys including sea bobs, kite and windsurfing equipment, water-skis, diving equipment and an inflatable swimming pool. Further more, *Panthalassa* offers fantastic performance, reaching speeds of up to 14 knots, thanks to her sleek underwater profile, huge sail plan and high-tech sail wardrobe.

O'RAMA

Launched in spring, the 175'6/53.5m *O'Rama* has been meticulously designed. Created with the most discerning charter clients in mind, every detail has been executed to exacting standards. Her interior is replete with luxurious fabrics, solid oak, and African teak wood. Everything from wall linings to lamps having been custom made exclusively for her. Accommodation includes a main-deck master suite, and twin cabin, while on the upper deck there is a VIP cabin. Two further VIP cabins are located on the lower deck, along with two twin cabins, which can be connected to the doubles to create two large suites. Outside, *O'Rama's* decks are equally impressive. Her sun deck has shaded areas for comfortable relaxation, a Jacuzzi, sun-lounging pads, bar area and alfresco dining for the whole party. She also has a large lounging area on the foredeck perfect for sundowners. For the active guests, she has a gymnasium, and a garage full of toys, including wakeboards, water skis, jet skis, diving equipment, fishing rods, and kayaks, all accessible from her large swim platform. *O'Rama* also has all the latest cutting-edge media and audiovisual systems onboard.

ILLUSION

Delivered this summer, *Illusion* is a fine example of the yachts that give the Benetti yard its excellent reputation. Comfort and entertainment were foremost to mind when the layout was planned and, as such, the various interior and exterior lounging and dining spaces offer excellent opportunities for formal entertaining and easy relaxation similar to those found on much larger yachts. The interior, with large main-deck saloon, upper-deck saloon, full-width owner's suite, VIP staterooms and two twin cabins, is the inspiration of Argent Design. Clean, contemporary and well considered, it represents the ultimate in modern style. Tineo wood combined with white and light-colored furnishings are complemented by subtle lighting, luxurious leather and fine bespoke fabrics, and attention to detail throughout. Sun worshippers will be happy – the deck space and array of water toys are plentiful. The stunning sun deck offers superb sunbathing and lounging areas, a mosaic Jacuzzi/pool, and dining area shaded by the satcom arch. Her bridge deck also offers dining for up to 12 guests and further lounging opportunities. Her 49'2/15m² swim platform acts as an extra deck near the water level. She also has a full array of water toys – including sea bobs and jet skis.
