

Those looking to charter a motoryacht in the Mediterranean this summer will find the elegantly styled *Unbridled* is the perfect choice. Built in the US by Trinity Yachts, the tri-deck vessel looks fantastic on the water with her streamlined dark hull. At 58.2 meters, she is blessed with space for up to 12 guests and as many as 13 crew, giving the opportunity for unparalleled service.

Comfort was foremost in mind when the layout of *Unbridled* was planned. The stately interior by Patrick Knowles boasts a large main deck saloon, upper deck saloon, full beam owner's suite, and four large guest staterooms, with a Pullman berth in each.

With a top speed of 18 knots and a comfortable cruising speed of 15 knots, *Unbridled* gives you the freedom of

choice. Choose between a hedonistic charter along the Côte d'Azur, a gourmet cruise along the idyllic Amalfi Coast, or the quieter coastlines and island chains of the eastern Mediterranean, where the hardest decision you will have to make is what to have for lunch.

Anchor up and cool off in the Jacuzzi/lap pool on her vast sun deck, which also has a full bar, called the 'Sand

Bar', and a dining area tucked beneath the shade of the radar arch. Active guests can use the outdoor gym facilities or jump from her bathing platform into the blue waters of the Mediterranean and take advantage of *Unbridled's* plethora of water toys and dive equipment.

After a long, lazy day, dress up to the nines and watch the sunset from the seating area nestled just forward

of the pilothouse. Take an aperitif in the skylounge bar before dinner on the covered alfresco dining area aft. For a more formal occasion there is also a dining area alongside the main saloon.

*Unbridled* is a stunning yacht offering a wealth of facilities that will impress even the most discerning guest. ■

Take breakfast and relax on the spacious sun decks of *Unbridled* or have fun with her collection of toys
