

CAMPER & NICHOLSONS

Camper & Nicholson's reaches the world's most idyllic cruising grounds. While many charter guests love cruising the French Riviera or Greek Islands, others like to explore farther afield. C&N's extensive superyacht charter fleet includes boats like *Legend*, the 254-foot expedition superyacht that accommodates 26 guests, with toys like a three-person submarine. After being thoroughly modernized, the giant ice-class yacht will explore Greenland's remote fjords this summer.

On the other side of the world, the new Palmer Johnson 150 *Vantage* will explore the South Pacific, visiting Fiji and Tahiti. The ultra-stylish PJ150 has multiple exterior social areas as well as a contemporary designer interior. Its 180-foot shadow vessel *Ad Vantage* allows for every toy conceivable to be taken on charter.

For an inimitable yachting experience, the 213-foot *Lamima* will tour the Raja Ampat archipelago in Indonesia. The exquisite wooden sailing yacht is the perfect vessel to explore area's pristine islands. C&N's charter fleet also includes luxury yachts in the popular Mediterranean cruising grounds over the summer, as well as the Caribbean and the Bahamas.
